The Department of Agriculture has evidence that on or about June 23, 2010 - October 5, 2011 you or your organization committed the following violation of Federal Regulations:

9 CFR, SECTION

Failure to

2.40 (b) (2)

- Establish and maintain adequate veterinary care that includes the use of appropriate methods to prevent, control, diagnose, and treat diseases and injuries, and the availability of emergency, weekend, and holiday care.

3.125 (a)

(**A large, male kangaroo was observed to be very thin with visible ribs.)

- Construct facility of such material and of such strength as appropriate for the animals involved. Indoor and outdoor housing facilities shall be structurally sound and shall be maintained in good repair to protect the animals from injury and to contain the animals.

3.84 (d)

(**The animal area near the kitchen in the winter holding barn is in need of repair or replacement. There are several holes in the enclosure as well as the drywall.)

- Keep an effective program for control of insects, external parasites, and birds and mammals that are pests.

(**Numerous house and fruit flies were present on the food preparation counter and the fly strip present is no longer effective at capturing unwanted pests.)

Titles 7 & 9 Code of Federal Regulations were promulgated to help prevent the spread of animal and plant pests and diseases and assure the humane treatment of animals. Since violations of the regulations can have serious and costly impact detrimental to the public interest, you are warned of this violation. Any further violation of these regulations may result in the assessment of a civil penalty or criminal prosecution. If you have any questions concerning this warning or violation, please contact the listed APHIS Official.
